NEW Create Your Perfect Paradise Party!

AT NO EXTRA CHARGE!

1. Design

○ OPEN PLAY

Kids will start on the parachute for the first 15 minutes of the party. The remainder of the gym time will be an open play format where kids can use all of the fun equipment our gym has to offer.

○ GUIDED PLAY

Kids will start on the parachute for the first 15 minutes of the party. The next 15 minutes the kids will play in the bungee room and the connected super sonic slide. The next 15 minutes is spent on the inflatable moon bounce and the in-ground foam pit. The last 15 minutes is spent on the inflatable caterpillar and inflatable dual crocodile slide.

2. Lights

○ PARADISE PARTY LIGHTS

This lighting makes for a unique and unforgettable party experience! We will shut off the regular lights and fill the building with our dozens of colorful overhead party lights that move with the music.

○ REGULAR LIGHTING

If you feel that the party lights will be too overwhelming for your party, that is no problem. We are happy to leave on the regular lights for you.
